

Dear Awaken City Partners (and future partners),

Due to your sacrificial financial and prayer partnership, Awaken City Church is able to celebrate "moving forward" to 184 Hyde Park Ave. You provided the resources that have enabled us to move into a 24/7 storefront in our Boston neighborhood. We cannot thank you enough! Please read the following words of appreciation from our director of prayer ministry:

*"I want to take a moment to thank you for all your prayers for the Awaken City family and for those who have yet to come. We are in an underground season as a church where God is germinating seeds, and like prayer, sometimes we don't see the immediate fruit. Nevertheless, we press on in faith with assurance of what we do not see. Despite the unexpected challenges COVID-19 has brought, and our underground season, we continue to see answers to prayer. We have had people come to know the Lord who is now pouring into others, found ourselves in an even better space than we could have imagined seven months ago, providing boxes of food to our neighbors, have made strides with Immigrant Connection, and are growing a culture of prayer from within. Thank you for your faithful and persistent prayers. Your prayer means the world to us, and we would not be where we are today without you. We continue to covet your prayers and look forward with expectation."*

*In all my prayers for all of you, I always pray with joy. - Philippians 1:4  
Blessings, Bethany (Director of Prayer)*

**I want to invite you to join us over the next forty days as we "MAKE ROOM" for how God continues to move in the city of Boston.**

God has open the door for us to rent an additional storefront in the same building which is half the size of our current space. In the new storefront, the first floor would be the future home of Public Coffee Co., which helps to support the ministry of Public Church (our daughter church which will be launching in Fenway) and future church plant residents. The basement would allow for a dedicated space for Awaken City Kids

and Youth. This additional ministry space would allow 184 Hyde Park Ave. to be used for small group discipleship, worship gatherings (online for now), community outreach hub, and Immigrant Connection (citizenship classes have already begun). We would love to share more with you on all that is happening at Awaken City. Therefore we are inviting you to join us as we **MAKE ROOM** (Moving Forward 2). Please consider the many ways you can participate in this movement.

1. Join us for 40 days of prayer and fasting. Dates: November 10-December 19. We have included a prayer guide with scriptures for each week for meditation, which coincide with our preaching series. This document also contains specific prayer requests. We believe prayer and fasting go together. Therefore to MAKE ROOM for prayer, you may decide to fast certain foods, but you may also choose to fast a form of social media or tv, even an hour of sleep. *If you are joining us for 40 days of prayer and fasting, please let us know by sending an email at [info@reachboston.org](mailto:info@reachboston.org).* Your prayers are such an encouragement!

2. **Join Awaken City for a community prayer event each week during this season of prayer and fasting:**

We cannot have you over, but we still want to celebrate with you and invite you to continue participating in the ongoing ministry through your prayers and financial partnership. During this Gala on Zoom - Awaken City Leadership will give you ministry updates and also allow you to ask questions. We will end this time by praying together.
